## Changing the advance payment

### Details of the contractor and delivery point:

Customer number / unit of account: \_\_\_\_\_

Surname, first name: \_\_\_\_\_

Delivery point: \_\_\_\_\_

I would like to     reduce                       increase

the current advance payment to a total amount of Euro \_\_\_\_\_  
with immediate effect on the next due date.

I am informed that in the event of a reduction in the advance payment of more than 10% of the advance payment calculated by the annual statement, no payment by instalments will be possible in the next annual statement.
